# Surround yourself with talent!

“We reduced the hard costs of IT equipment in the branch offices, improved employee productivity, and avoided the purchase of additional WAN bandwidth,”

Ed Kendrick  
Dir. Sys. Ops. Intersil

**Features:**

- Consolidation
- Automation
- Virtualization
- Messaging & Collaboration
- Optimization & Migration
- Project Management
- Mobility

**Consolidation** - Leverage your current investments to significantly reduce today’s cost of running IT:
